

SPECIAL EVENTS AT ALCHEMY BISTRO & BAR

Alchemy Bistro & Bar has long been a sought-after destination for the perfect rehearsal dinner, corporate outing, anniversary party, or small wedding. We have the ideal spaces for your celebration! We offer private events year-round based on availability.

THE LOUNGE & FIREPLACE ROOM

Our Lounge and Fireplace Room are our options for private dining. Both are located on our second floor, separated from the rest of the restaurant, offering you and your guests the perfect private area to celebrate and dine.

The Fireplace Room is our smaller option, with seating for up to 26. Beautiful bookshelves with a curated collection, works by local artists, and, of course, our fireplace, offer your guests a warm and friendly welcome – no matter the season!

The Lounge is the larger option we offer for private dining - with space for up to 50 for dinner or 60 for a standing cocktail reception. The Lounge includes the front section of the room, complete with your own private bar, as well as the back Fireplace Room.

FULL BUYOUTS

For groups looking for larger gatherings, we do also offer full buyouts of the restaurant. A full buyout means Alchemy is yours for the night. Our capacity for this is 150 guests.

Our seating is spread across 3 rooms on 2 floors, with seating for approximately 50 in each room. We also have 2 full bars, one on each floor, for all your cocktailing needs.

The cost for a full buyout starts at \$20,000 and increase based on the specific date requested.

SMALLER PARTIES

Alchemy can accommodate parties of up to 18 for regular reservations. There are two spaces in the restaurant that can accommodate a group up to this size; both are located on the second floor. Regular reservations do not require a private space or a contract.

Reservations for large parties can be made by telephone only, up to 30 days in advance, and are offered based on availability.

THE DETAILS

PRICING

All private events at Alchemy Bistro & Bar are priced with minimum spends. Minimums vary day to day and season to season. In season minimum spends for the Lounge typically range from \$7,000 to \$15,000, depending on the date and space requested. Off season minimum spends can often range lower, again, depending on the date and space requested.

Dates on or around holidays or Vineyard special events are considered on a case-by-case basis and subject to premium pricing.

All food and beverage count toward the minimum spend, with the exception of fine and rare wines and cash bar purchases (these will be billed separately). If the minimum is not met, the difference will be applied to your check as a “room fee.” If the minimum is met or exceeded, you will be charged for the full bill, plus applicable fees, and less any deposits.

Minimum spends do not include tax, administrative fees, cake/dessert fees, cash bar purchases, or gratuity. These fees will all be listed on your contract.

MENUS

When booking a private event at Alchemy, you get to create your own personalized menu for your guests. For event menus, you simply select up to 4 appetizers, entrees, and desserts from our current dinner menu to offer your guests. We send menus 2 weeks prior to your event date for your choices, as our menu changes regularly with seasonal availability of ingredients. Booking a standing cocktail reception? We also have a menu of passed and plated appetizers to choose from.

Beverage options can also be customized. You can choose to offer a full open bar, specific drinks like beer and wine only, or a cash bar. Our award-winning cocktail and wine lists offer the perfect complement to any event.

Your menu is also completely customizable – we can add a monogram, date, logo, hashtag, special message, or incorporate a theme or colors!

MUSIC

Music for your event can be completely customized for your private space. Got your own playlist? Or just an artist or genre request? No problem! As long as your event has a private room, we can complete the ambiance with your favorite mood music.

DÉCOR

Most people choose the Alchemy Lounge or Fireplace Room for their laid-back-yet-chic ambiance. For dinner parties, tables are set with candles, fresh white linens, rolled silverware in white linen napkins, and your custom event menu. This makes it easy and effortless to go from cocktails, to dinner, to dancing (if that's your game)! You are more than welcome to bring your own decorative or informational items to include on the tables or in the room. If you are working with a florist, you can arrange for floral pieces to be delivered directly to us. We also are happy to recommend our neighbor, Aubrey Maria Designs at Donaroma's Nursery & Floral Design for all your decorative needs.

Alchemy does not provide any audio/visual equipment. There is one large television at the bar in the main section of the Lounge and one small television in the Fireplace Room. While these are available for your use during your event, you will need to provide any necessary connective materials for your device(s). Should you require A/V equipment, we can recommend Atlantic Sound Co. MV for such needs.

OF NOTE...

When booking the second-floor Lounge or Fireplace Room, it is important to note that these spaces are not handicapped accessible. As there is no elevator, guests will be required to ascend and descend the 17 steps to and from the second floor.

Our capacity limitations for our private dining spaces are, unfortunately, not flexible. If you are interested in hosting a party for more than 60 people, just ask about our full buyouts!

If you would like to book an event with us, please reach out to our event staff by filling out the inquiry form on our website. Please include as much detail as possible about what you're looking for – this will help our staff get to know you and the type of event you're envisioning. In turn, we will be able to provide you with all of your options, as well as detailed pricing information.
